Build Your Own Success. You Have The Power.

Helping clients do what's right for them. Running your business the way that's right for you. Growing your own practice and benefiting from the value you build. Does this sound like the career you want to have? Then John Hancock Financial Network is the place for you.

As an entrepreneurial financial professional or financial advisor, you have your vision of success. With more than 300 registered offices across the United States representing a diverse range of unique practices and professionals, we have the business model, resources, and unwavering commitment to helping you realize that vision.

It begins with you and your association with a regional firm of financial professionals who are committed to their clients, community, and to helping you develop a unique and valuable business based on market opportunity and your vision of success. Here are just a few examples of the kinds of firms that make up the JHFN network.

Where Do I Begin?

[An open product platform of industry leading investment, advisory, and protection platforms](#)

[A choice of affiliation options](#)

[Compensation, benefits, and recognition based on total sales from all products](#)

[A robust equity and succession platform](#)

[Branding flexibility](#)

Powerful Reasons to Build Your Financial Services Business With Us.

Is it time to take your business to a new level? Are you interested in expanding your offerings, but not getting the financial support, open product architecture, or resources you need? Are you looking for a company that will provide compliance, practice management, and back-office support so you can focus on what you do best?

If your answer to any of those questions is yes, consider bringing your practice to an independent regional firm of John Hancock Financial Network's national network. You'll find people **committed to clients and community**, with deep understanding of their market and a dedication to helping you succeed.

As a Financial Advisor or Professional, You'll Have the Power to:

- **Affiliate the way that makes sense for your business vision.**
Choose your affiliation model based on the level of independence and support you want—and, as your business evolves, your affiliation can change with it.
- **Brand the way that's best for you.**
Use the John Hancock Financial Network name, or your own unique business name.
- **Be recognized and rewarded for dedication and hard work.**
Through our ACE Elite top producer program.
- **Reap the benefits of the success you build.**
With our innovative equity and succession platform.
- **Take advantage of our open product platform.**
Including a comprehensive range of top-quality investment, advisory, and protection products from leading carriers to meet your clients' needs.
- **Resources to support your business growth.**
Including industry-leading technology, practice management, market development, training, and business support.
